

In July 2014, 10 founding members form the ASD Centro Remiero Lago di Pusiano.

The founding members, constituting the Management Committee of the Eupilio Centre, subsequently dissolve the committee and transfer the entire assets and equipment to the newly established association.

The Commitments that governed the agreement between the Municipality of Eupilio and the rowing companies grouped in the Management Committee of the Eupilio Center are integrated into the corporate purpose and in fact become the institutional activities of the Centro Remiero Lago di Pusiano asd.
