

Rowing Section - FIC

Born in 2015, president Luigi Gaffuri, began to operate and promote rowing in schools immediately with Maria Regina Terenghi who subsequently succeeded Luigi as president.

Helped by Massimiliano Marinoni, the centre's first coach, in a short time the competitive section had almost 50 athletes.

A remarkable result especially considering that it was achieved in just over a year of promotion.

Alessandro Fioni, current president, continues the work set by Maria. With the help of Marco Ferretti as coach, he won the Italian Club Title in 2021 in Candia with the 4x mixed Junior.
